

ALLIANCE UNIVERSITY

FEES REFUND POLICY

Date : 26-05-2023

Alliance University Fees Refund Policy is in strict and complete compliance with the UGC norms (Notification on Refund of Fees and Non-Retention of Original Certificates, dated 10th, October 2018).

Further, the University fees refund policy is clarified on the following aspects:

1. A student admitted into any program shall undergo a short-term course entitled "Learners Value Proposition". Every program of study has a Learners Value Proposition which begins as per announced schedule and ends two days before the start of the first semester.

Fees paid towards this course is under no circumstance refundable.

2. In the event a student already pursuing a course, discontinues study at the University at any time for any reasons whatsoever including but not limited to voluntary withdrawal / dismissal / suspension / medical conditions / non-promotion to subsequent semester or year, the fees paid to the University will not be refundable.
3. Consequent to discontinuance of the program for any reason whatsoever and owing to the fact that a stipulated fixed intake is permissible to every program, the student is liable to remit the entire program fee to the University in order to receive "No Dues Certificate" (NOC).
