STATEMENT OF OBJECTS AND REASONS

Act 34 of 2010.- In view of the announcement made in the budget speech for the year 2008-2009 for encouraging establishment of Private University, the Alliance Business School, Bangalore which is an institution managed by Schedule Tribe Community has come forward to establish a private university in the State. The Karnataka State Higher Education Council has recommended for the establishment of private university by this organization. It is felt that it would certainly help in spreading the quality education to the needy students. This private university focuses on teaching, training, in the fields of Business, Education and in the field of Management. This accelerates the enhancement of gross enrolment ratio in the higher education sector, which presently stands at 11.5% in Karnataka.

Therefore, it is considered necessary to enact a legislation for establishment of the Alliance University.

Hence the Bill.

STATEMENT OF OBJECTS AND REASONS

Act 34 of 2010.- In view of the announcement made in the budget speech for the year 2008-2009 for encouraging establishment of Private University, the Alliance Business School, Bangalore which is an institution managed by Schedule Tribe Community has come forward to establish a private university in the State. The Karnataka State Higher Education Council has recommended for the establishment of private university by this organization. It is felt that it would certainly help in spreading the quality education to the needy students. This private university focuses on teaching, training, in the fields of Business, Education and in the field of Management. This accelerates the enhancement of gross enrolment ratio in the higher education sector, which presently stands at 11.5% in Karnataka.

Therefore, it is considered necessary to enact a legislation for establishment of the Alliance University.

Hence the Bill.
