Alliance University

Alliance University is the first Private University in South India, established in Karnataka by Act No. 34 of 2010, and is recognised by the University Grants Commission (UGC), New Delhi. The University is accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC).

The University considers research the essence of all teaching and learning practices. A unity between research and teaching is promoted to extend the frontiers of knowledge to solve real-world problems on a local, national, and global scale.

For this purpose, the University seeks to be the nerve centre of interaction between the industry, the government, the civil society, and the community at large. In times when technological and social change is transforming the very idea of employability, the University embraces the increasing diversity of specialisations while retaining the impulse to unify all knowledge.

Alliance School of Management & Technology

A new generation of management education that integrates management intelligence, technological capability, and ethical leadership to prepare students for roles of impact in rapidly evolving industries.

Academic Philosophy

MANAGERIAL THINKING WITH TECHNOLOGICAL LITERACY

Students learn how business decisions are shaped by platforms, systems, and tools—so they can take responsibility without needing to build the technology themselves.

DECISION-MAKING IN A DATA-DRIVEN WORLD

Emphasis on interpreting data, understanding constraints, and making defensible decisions rather than chasing outputs.

ETHICAL LEADERSHIP IN A DIGITAL ECONOMY

Ethics is treated as a system constraint—embedded in decision processes, compliance structures, and governance frameworks.

People | Technology | Business Decisions

Stellar Faculty

An eclectic ensemble of faculty members from India and abroad contribute to thought leadership in their fields, publishing research, participating in policy discussions, and collaborating with industry partners. Students benefit from this ecosystem, gaining insights into emerging trends, strategic decision-making, leadership practices grounded in evidence, real-world relevance and the intellectual resilience necessary to navigate a volatile, uncertain, complex, and ambiguous (VUCA) world.

Bloomberg Terminal For Education

Alliance University offers its learners the Bloomberg Terminal services that are revolutionising the financial industry by bringing transparency to financial markets. More than four decades on, it remains at the cutting-edge of innovation and information delivery — with fast access to news, data, unique insights and trading tools helping leading decision makers turn knowledge into action.

Unparalleled Coverage

The Terminal provides coverage of markets, industries, companies and securities across all asset classes.

Powerful Data and Analytics

Tap into data, proprietary and third-party research and analytics.

Industry-leading Collaboration Tools

Collaborate with a global network of more than 3,50,000 influential decision makers.

Multi-asset Execution Capabilities

Create more efficient workflows with integrated execution and order management solutions and sophisticated pre-trade and post-trade analytics.

MBA in FinTech

The MBA in FinTech prepares managers to operate within financial systems that are increasingly digital, regulated, and data intensive. The focus is on understanding how technology reshapes financial decision-making—across banking, payments, risk, compliance, and analytics. Students are trained to take responsibility for outcomes within these systems—not merely to understand concepts.

Duration

Two years, full-time, residential program

- Algorithmic Trading Strategy Analyst
- Portfolio & Risk Analytics Manager
- Blockchain Business Consultant

Bachelor of Commerce CA Integrated (Honours)

This program is designed for students who will assume financial and compliance responsibility early in their careers, within structured, rule-based environments. Unlike traditional B. Com programs, this degree embeds CA preparation, analytics, and fintech exposure within the curriculum—saving time and improving outcomes.

Duration

Four years, full-time

Eligibility

Applicant must possess 50% marks (45% in case of SC/ST) in grades 10th and 12th from a recognized Board or Council.
