A CORDIAL INVITATION TO OUR RECRUITING PARTNERS

CAMPUS PLACEMENT SEASON 2025-26

Greetings from Alliance University, Bengaluru!

It gives us immense pleasure to invite you to participate in our Campus Recruitment Programme 2025-26 and engage with some of the finest young minds who are ready to contribute to your organization with knowledge, integrity, and innovation.

At Alliance University, we take pride in nurturing our students through a rigorous academic framework, industry-oriented pedagogy, and continuous skill enhancement initiatives. Our programs are designed to build leadership, adaptability, and professional excellence — qualities that today's corporate world values most.

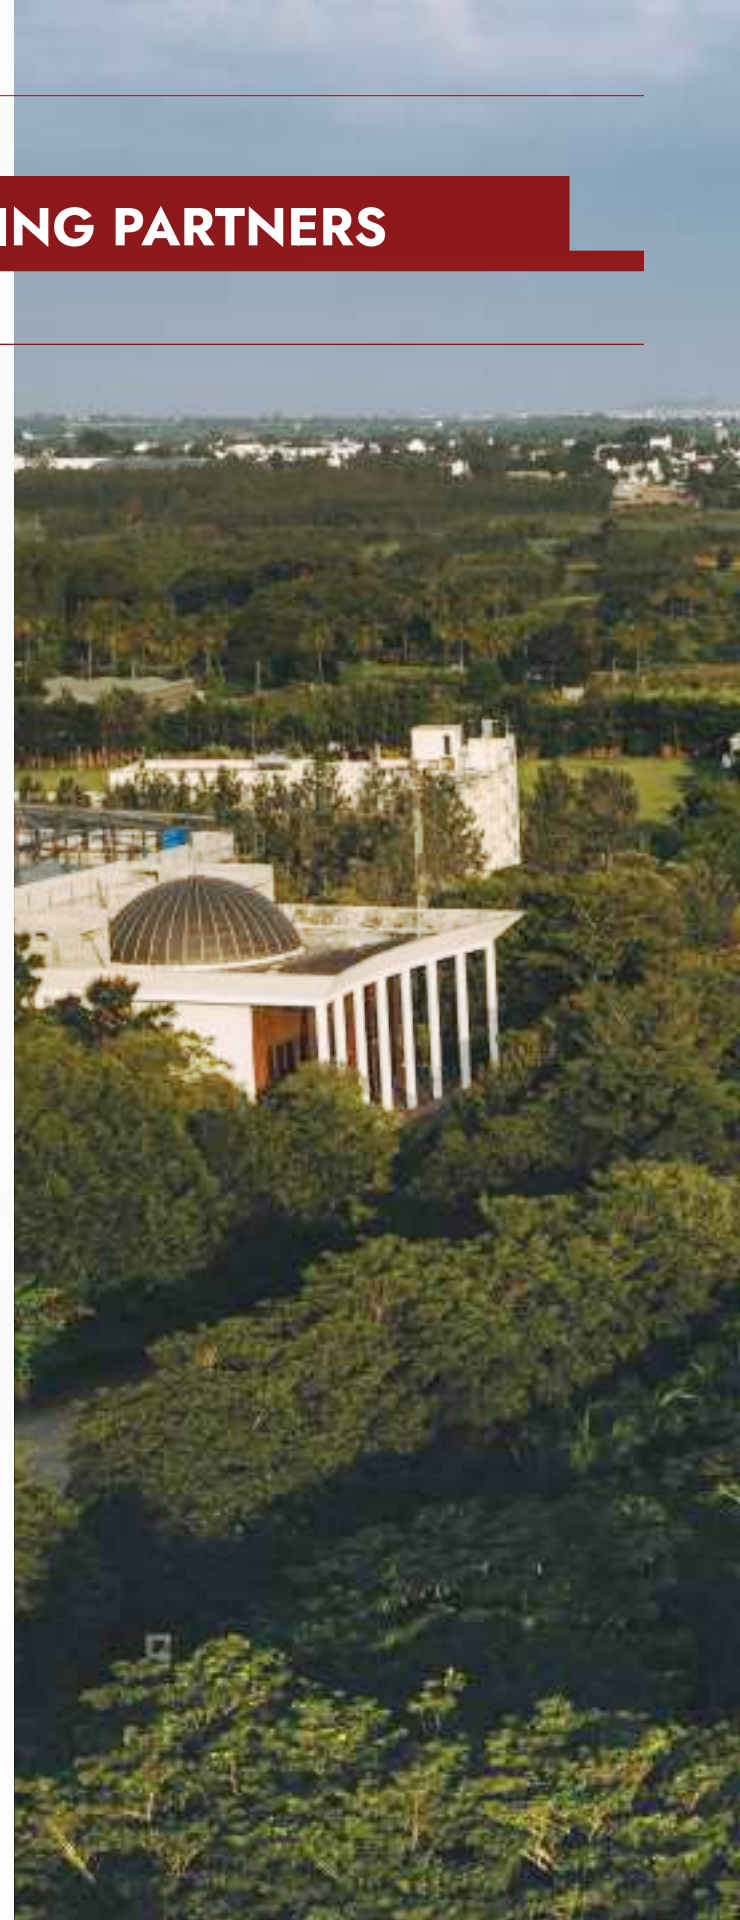

The Career Advancement and Networking (CAN) Office works tirelessly to strengthen industry–academia linkages and ensure our students are well-prepared to meet the dynamic expectations of the global workplace. The university's emphasis on experiential learning, global exposure, and ethical leadership has resulted in a strong talent pool that stands ready to make a meaningful difference in your organization.

We invite your esteemed organization to be part of our placement season 2025-26 and discover future leaders who will add value, passion, and purpose to your teams.

We look forward to welcoming you to our campus and building a long-lasting partnership that contributes to mutual growth and excellence.

Office of Career Advancement and Networking

Alliance University, Bengaluru

ABOUT US

Alliance University is the first private university in South India, established in Karnataka by Act No. 34 of 2010, and is recognized by the University Grants Commission (UGC), New Delhi. The university is accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC) in 2024.

The university considers research the essence of all teaching and learning practices. A symphony between research and teaching is promoted to extend the frontiers of knowledge to solve real-world problems on a local, national, and global scale.

For this purpose, the university seeks to be the nerve centre of interaction between the industry, the government, the civil society, and the community at large.

In times when technological and social change is transforming the very idea of employability, the university embraces the increasing diversity of specializations while retaining the impulse to unify all knowledge.

“

Alliance really equipped me with both knowledge and practical skills. The syllabus is well-designed and allows for both creative thinking and honing analytical skills. The professors played a large role in making the sessions memorable and imparting their wealth of experience to tackle business challenges.

”

Ayesha Prasad Narain
Batch 2008-10

“

The lecturers in Alliance are commendable. They are knowledgeable and willing to contribute towards overall development of students. The guest lecture sessions facilitated by Alliance are helpful as it gives students exposure towards corporate culture and information. Diversity of students is an added bonus as you learn from the experiences of different individuals which help manage relationships and careers while being part of diverse workforce. Last but not the least, the educational tours are definitely very helpful as students get the basic touch and feel of industries and how they operate!

”

Tarali Gogoi
Batch 2007-08
Vice President,
Northern Trust Corporation

“

For all you may know, the friend sitting next to you today could become the next CEO of a major company. Arriving at Alliance brought nerves and uncertainty about the future, yet it soon became an incredible journey. The value extended far beyond classrooms into activities, friendships, and meaningful networking. These experiences built confidence by engaging with diverse peers who challenged and supported each other. The 2014 batch initiated the Alliance Carnival, which provided vital lessons in time and stakeholder management and community collaboration. There are no shortcuts in life. Learning and lived experiences remain the most powerful foundations for future success.

CORPORATE MENTORSHIP

The **Corporate Mentorship Program (CMP)** is designed to ensure student success by enhancing their soft skills, leadership capabilities, and overall professional development. The program provides students with valuable exposure, insights, and personalized guidance that bridge the gap between academic learning and industry expectations.

This initiative brings together **400+ corporate mentors from top organizations and faculty mentors from the Alliance School of Business** who collaborate toward one shared goal — student success. Through regular interactions, mentors guide students to develop inquisitiveness, critical thinking, sound decision-making, creativity, and empathy — essential attributes for emerging professionals.

MENTOR TESTIMONIALS

“

The Mentorship program is really unique approach to connect management students with the corporate world, have visited other management schools but haven't found such an intriguing initiative. This program addresses an important need of molding management students for the real world, equipping them with professional skills along with domain knowledge. It's also a 2-way learning process whereby I got to learn by addressing students asks/requirements. All the best to students and the COC for implementing such a distinctive learning as part of curriculum.

Mr. Sushant Rajput
General Manager,
HCL Technologies

”

“

The Corporate Mentorship program is a great initiative taken up by the university. The idea of providing students with a glimpse of the corporate world and preparing them in advance is a novel idea. My batch of mentees were a bright lot who wanted to excel in life and I am glad that I could be of use to them in providing insights of the corporate world. The programme can be improved by giving it a little more structure and also avoiding long time gaps between sessions.

Ms. Radhika Ananthakrishna
CAPCO APAC Head of finance
Wipro

”

“

It has given me a platform to share my Industry experience, explaining members on Corporate Culture, giving insights on how to handle Challenges and shape them for Industry readiness. While taking sessions and discussing real time case studies, I also got the opportunity to learn about current trends from members and crisp expectations from the next generation. Current batch of MBA is really strong on their knowledge; they are very committed on assignments. With their Futuristic thinking, Solution Mindset and Handholding from mentors, many strong career opportunities will open. I am sure with all their capabilities; they will gain much higher milestones in future. Alliance University has an amazing Campus, Energetic faculties and Think Tank environment which is the best combination for learning atmosphere. With Awesome Infrastructure and Prompt coordination between teams, Performance excellent is bound to happen

Mr. Amit Sethia
Associate Director
Sony India Software Center

”

“

Mentoring MBA students has been one of the most fulfilling aspects of my professional journey. Engaging with driven, inquisitive minds who are eager to make an impact in the world of business challenges me to stay current, sharp, and open-minded. Each interaction is a two-way street — while I provide guidance and perspective from years of experience, I also gain fresh insights and renewed energy from their questions and ambitions. Watching these students grow into confident, capable leaders is incredibly rewarding, and I'm honored to play even a small role in their development.

Mr. Kartikay Mehta
Director - Sales
